

Hello,

My name is Vincent Wahby and I move into the Abby in 2005 with my wife, son Vincent Jr. And my wife's Aunt Josie. Back then I ran a RV Dealership for 19 years. I was the sales manager, finance manager, and general manager. I did that till my wife became very ill. At that time I took a family leave to take care of my wife. My son went to school here and then went to culinary college, where he became a chef. He was a chef at the university of Notre Dame, until my wife became very ill and then moved back home. He now lives with me with my granddaughter that he has custody of. My wife passed away in 2018. I am a Deputy Grand Knight Templar, I am retired and available for anyone who may want to contact me if I am on the board. I have seen many things in this neighborhood that do need to be changed and I am willing to work with a board to change them. I am available all the time for anybody.
